HOLIDAY DONATION APPEAL

Thank you all for your generous donations and your continued support for the work that we do at Mai Family Services. The major portion of the funds collected from our donors is expended in providing direct services to our clients (housing, food, utilities and other necessities) and paying for the infrastructure that supports this work and building awareness through Outreach.

The demand for MaiFS' services has increased and the scope of our work has expanded because of the Outreach. The work we do cannot be sustained only through volunteers and current staff level. MaiFS needs funds to build capacity and sustainability for its much-needed services in the South Asian community.

This is a sincere appeal to each one of you to choose Mai Family Services as your preferred charity as you plan for the 2022 Donations.

For details how to Donate, please visit <https://maifs.org/Donate> or use the QR Code below to visit our Donate page.

Thank you

CSU GRANT UPDATE

We're pleased to inform that the Division of Victim Services, State of Michigan has renewed the Domestic Violence (DV) Grant given to Mai Family Services for a 7th consecutive year, starting October 01, 2022!

Moving forward, the DV Grant will be referred to as the CSU (Culturally Specific Underserved)-Grant and not, the STOP Grant as referred to earlier. While the name will change, the Grant will continue to provide South Asian DV survivors with DV Advocacy/counseling, as well as education/tuition assistance and basic life-skills learning sessions to enable their empowerment.

We are pleased to add a new member to the CSU-Grant team. Please join me in welcoming Melanie Ross as a Victim Advocate. She will provide program participants with educational and career enhancement counseling.

For additional information on the DV Empowerment Program, please call Murali Nair @ 248-795-4639, or visit us on the web @ maifs.org.
