YAADEIN 3.0 A GOLDEN CLUB SENIOR EVENT

We are elated to reflect on the resounding success of 'Yaadein 3.0 - A Golden Club Seniors Event,' held at IGGF last Sunday, August 20. The occasion marked a heartfelt celebration of our cherished seniors on the esteemed International Senior Day. The event radiated with the warmth of camaraderie, as attendees reveled in an afternoon brimming with an amazing cultural program by seniors, delectable food, and jovial games. With close to 150 attendees, the event was an embodiment of our unwavering commitment to honoring and cherishing the seniors who enrich our lives.

We extend our deepest gratitude to all the participants, volunteers, and performers who contributed their time and energy to make the event a remarkable triumph. Special mention goes to our youngest volunteers, as young as 8 years old, who demonstrated remarkable dedication. Our gratitude extends to the performers who lit up the stage, the engaging emcee and the event lead. Heartfelt thanks to Sandeep and Steve of IGGF for their invaluable assistance in preparing the venue for the festivities. We're profoundly grateful to Manoj ji and Poonam ji, whose generous

sponsorship made the entire event possible. Their support exemplifies the spirit of MaiFS, making a significant impact on the lives of our seniors.

As we bask in the success of Yaadein 3.0, we eagerly look forward to 'Yaadein 4.0' in 2024, envisioning an even grander celebration. We invite you all to share your feedback on the event and offer insights that will shape our future endeavors. Together, we're committed to crafting events that resonate with the spirit of togetherness and joy building a strong sense of community.

OUTREACH EFFORT

In recent months, MaiFS has significantly ramped up its efforts in engaging with the community to raise awareness about our agency's initiatives aimed at supporting South Asian survivors of domestic violence in Metro Detroit.

As a part of our community outreach initiative, the Direct Services team and the CSU-Grant team from MaiFS jointly participated in the monthly event "Staying Connected with Detroit", on August 25, 2023, organized by the Michigan Coalition to End Domestic Violence (MCEDSV). This event serves as a platform for various agencies within MCEDSV's Region 5 to come together and gain insights into the services provided by local organizations to domestic violence survivors in the Tri-County areas of Detroit.

During this event, MaiFS showcased its unique ability to deliver culturally tailored prevention and intervention direct services to domestic violence survivors. Additionally, the CSU Grant program, which focuses on promoting women's empowerment through the provision of advocacy services and life, was highlighted and discussed with the event attendees.

The presentations were followed by an engaging question-and-answer session, which received positive feedback from the attendees. These interactions are expected to enhance understanding about the distinctiveness of our agency and facilitate referrals of South Asian domestic violence survivors and clients to MaiFS.

Thank you to Staying connected with Detroit team for giving us the opportunity to present at your monthly meeting.

Continuing its tradition, for the eighth consecutive year, MaiFS will extend its CSU Grant initiative to provide complimentary advocacy/counseling services and life-skills sessions to survivors of domestic violence from the South Asian background residing in Metro Detroit.
