MaiFS ANNUAL COMMUNITY TOWNHALL RAISES AWARENESS & ENGAGEMENT

[Event photo and video gallery](#)

Mai Family Services hosted its annual Community Leadership Townhall on Saturday, Feb 25th at the IGGF in Canton. The town hall was a stupendous success with over 25 active and dedicated organizations being represented to discuss and engage in conversations around family violence, senior issues, mental health and other growing concerns faced by the community.

The interactive session began with community leaders sharing their work, mission, and vision of their respective organizations. It was wonderful to see many tremendous achievements from our community members who have passionately and dedicatedly served the Michigan population. Mai Family Services provided an overview of the intervention and prevention programs, client stats, survivor stories and many possibilities to collaborate.

The goal of the meeting was for organizations to understand the work and the process behind Mai Family Services, the oldest non-profit South Asian organization. This platform also provided MaiFS to directly engage with decision makers, provide information regarding the imminent problems and issues and seek collaborative support in raising awareness – through displaying MaiFS logo and website link on community websites, participating in our awareness events or pledge support to offer educational workshops and programs in direct

partnership.

Several organizations in attendance who offered support included Bharatiya Temple Troy, Chinmaya Mission, Indian American Chamber of Commerce (IACC), American Society of Engineers from India (ASEI), Rotary Club of Ann Arbor West, Rotary Club of Troy, Miindia.com, South Asian American Voices of Impact (SAAVI), Detroit Malayalee Association, TDF, The Kerala Club, Ford Asian Indian Association (FAIA); Great Lakes Aradhana Committee (GLAC), Arya Samaj, Detroit Telugu Association, CORD, SCUBE, Detroit Telangana Association, Gujarati Samaj, Tamil Sangam, MAPI, FOMAPI, MICS, Mpower, DIWA, AIWA, Global-ITech, ISKCON, India League of America, IT Serv Alliance, and SILAMBU.

Through these sessions, victims will gain a deeper understanding of the nature of domestic violence and learn how to become more empowered and learn how to become more empowered, ultimately leading a life free from abuse.
