

Achievement Announcement !!!

**Mai Family Services has received Platinum Seal of Transparency,
the highest level of recognition offered by GuideStar!**

GuideStar is one of the first central sources of information on U.S. nonprofits and serves to verify that the recipient organization is established and that donated funds go where the donor intended. It is an easy way for a non-profit organization to share its progress and results. It also helps measure the Non-profits' performance in quantitative terms against their missions.

It's a great honor for MaiFS to receive this recognition. Thanks to the tireless efforts of two board members, Shanti Menon and Mona Sashital, in getting this Platinum Seal of Transparency.
