Mai Family Services is a South Asian non-profit organization that seeks to provide support services in the areas of partner and family violence, substance abuse, mental health and senior issues through confidential and culturally sensitive intervention.

## Spotlight on an amazing Board of Director!

*"What is worth doing is worth doing well". -  
Nicolas Poussin*

MaiFS is fortunate to have one of its finest members whose relentless contributions to the organization reflects the above quote. Meet Shanti Menon. Shanti is one of the board of directors of MaiFS and a grant coordinator of STOP Grant Program. She is also a devoted grant writer for the organization.

Shanti started her journey with MaiFS in 2013. She is a multi-talented individual and one of her many talents is grant writing. She has written many successful grant proposals for the organization. One such grant is STOP Grant that MaiFS received in 2016. Shanti continues to work tirelessly behind the scenes writing grant proposals for the organization. We are honored and proud to have her in our team. We sincerely thank her for her valuable time, amazing work and unabated contributions to the organization.

## We are appreciative and grateful!

COVID-19 outbreak has changed our lives drastically in many ways. We all lost something to this outbreak and the magnitude of loss and suffering varies from person to person. As a DV agency, we are a witness to the magnitude of loss and suffering our clients are subjected to during this pandemic. As we continue to stay home for our safety, our clients are abandoned and thrown out of their own houses by their spouses/partners in fear of contracting the virus from them or other reasons such as financial crisis, unemployment etc. They are left alone out in the street with agony, pain, confusion, and suffering. Our agency is providing financial and emotional help to keep these vulnerable individuals safe and sane during their most difficult times.

**In these dire times, we turn to our community and request you to donate to our emergency relief fund as we continue to provide the help and services our clients desperately need.**

As always, we are proud and grateful to have your support at all times. **Thank You!**

**Note: MaiFS is open and working remotely to help the ones in need.**
