Last year was both challenging and rewarding for MAI Family Services. The demand for our services from new clients and from those who are benefitting from our ongoing support continued to increase. Fortunately, both of our community-wide fundraising events were successful, and we were able to raise over $65K. This year we are counting on your continued support so that we can assist our community members in difficult situations.

We are excited to announce that our annual Walk to Stop Domestic Violence will be held on Sunday, June 5th. Those of you who attended our previous walks know that we have not had the best luck with early October weather. We are hoping for a sunny spring day so that more of you can join us. Our walk is a family-friendly event with fun activities and snacks. Please encourage your family and friends to participate!

Our special guest, Kayhan Irani, an Emmy Award winning writer and activist will kick-off the walk after addressing fellow walkers. The funds raised from the walk will be used to provide direct support to survivors of domestic violence in the form of safe housing, food, legal fees, medical care and other necessities. DOUBLE MURDER

Yesterday,
I was so happy,
so ecstatic,
bubbling with energy,
carrying my unborn child
kicking....a sign of life.

Today,
I am wearing black,
weeping,
grieving,
suffering,
carrying now a corpse in my womb
I live but only as a grave.

Last night,
the father of my baby,
kicked me so hard,
he killed my dreams
and my baby too.
